CenturyLink + Level 3

A stronger, award-winning competitor in the marketplace, driving enhanced value and growth for our customers, the new CenturyLink will:

- Deliver industry-leading capabilities and solutions through an enhanced global network footprint
 - A local-to-global network spanning 60+ countries and 100,000+ fiber-lit on-net buildings
- Deliver scale for ongoing wholesale customer growth
 - A comprehensive and flexible wholesale portfolio supports your core infrastructure, enterprise resale, and internal communications needs
- Better enable customers' efficiency and cost management initiatives
- Focus on improving your customer experience
 - Innovative, adaptive technology solutions for choice and control to help you achieve your growth, efficiency, and security goals
- Invest in next-generation access solutions and technologies
 - Innovative IP and Ethernet Access solutions to extend your network reach and enhance emerging WAN offerings

CenturyLink + Level 3 Receive 2017 Wholesale Metro Ethernet Forum Award

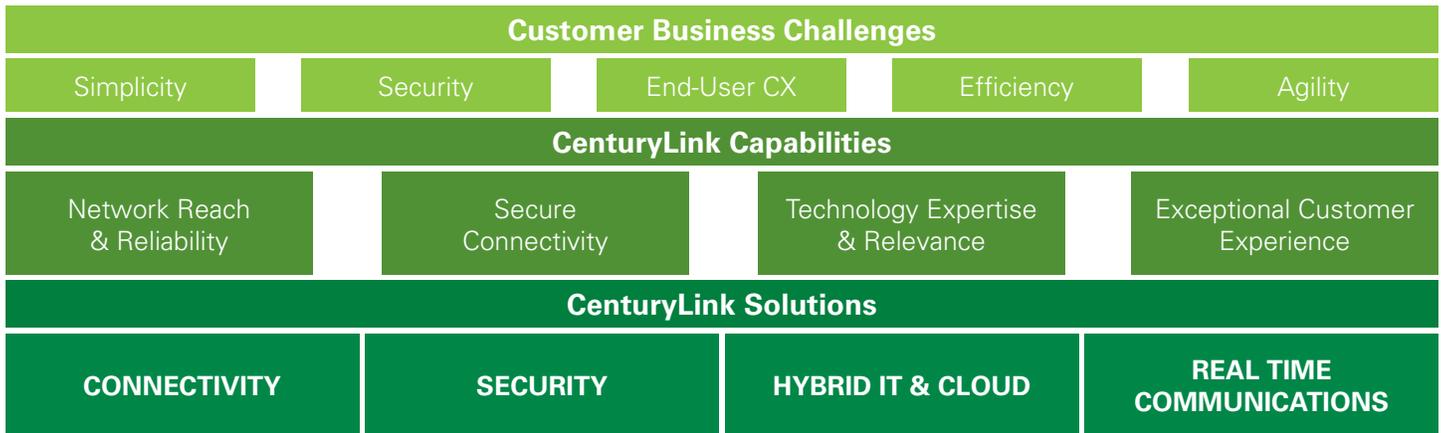

"MEF congratulates CenturyLink for being recognized as an industry-leading service provider on a global scale with numerous MEF Awards," said Nan Chen, president, MEF. "We continue to see amazing service and technology innovations year-over-year from companies participating in MEF's annual awards program, and are thrilled to witness the advances being made to accelerate development and delivery of agile, assured, and orchestrated services."³
